### BACK-TO-SCHOOL EXCITEMENT!

It is exciting to be back in school with children who are so eager to be here. We have been busy getting to know one another, the schedule and rules of the classroom. It is amazing how fast children catch on to the routine. We have jobs to do, lessons to learn, friends to meet and play with and of course work to do!!!

In our lesson this week during Bible time we talk about what is God like? There is not a story sheet to go with our introductory lesson, but I am sending home a worksheet that the children can do. We learn a Bible treasure each week and this week it is - "God is in heaven."

Thank you to all the grandparents who were able to join us on Grandparent's Day. The children love having you here and sharing their school with you. Hope to see you throughout the year for our family night events.

### FOLDERS

In your child's folder this week you will find a lot of information.

1. The monthly calendar - it tells you what is going on in the classroom daily.
2. A schedule of the preschool screenings that school district #2 provides free to all children birth to 5.
3. A book order form - these will be monthly. If you would like to order books fill out the form and make a check payable to Scholastic Books. Please return this month's by Thursday, September 10.
4. An invitation to Family Night. Hope you all can come and meet your child's classmates and their families.

Remember to return your folder on Tuesday so you can receive next week's information!!!

### Family Night

What are our Family Night events all about? It is time for food, fellowship and fun! Pastor interacts with the children during a children's devotion, the preschool sings and then we do an activity and have treats.

Join us September 17 at 6:30!
