

Apostles Lutheran Preschool

October 6 - 8, 2009

"Everyday is a rainbow of colors, colors all around us!" could be heard throughout the church as we sang about our theme this week "Rainbow/Colors". The children enjoyed singing, hearing stories, coloring and painting things about colors. The story Mousepaint is a wonderful story about how some mice mix colors and discover they make new colors. The children loved to watch then when we mixed colors and made new colors too. The highlight for color week is when we all wore our favorite color and then shared something with the class that also is that color. We also did activities that enabled us to sort colors, count, and learn the concept of largest and smallest amounts.

Our Bible lesson this week was how God saves Noah and his family. We hear how they were the only people left on earth that loved and trusted God. Ask your child what God asked Noah to build...and then what he filled it with. We heard how God covered the whole earth with a flood and the only ones to survive were Noah and his family and everything else that was with him. When the rain stopped and the water dried up, Noah thanked God for saving him and his family. God made a promise to Noah that he would never flood the earth again. Ask your child what sign God put in the sky to remind us of that promise.

Bible treasure -"God wants all people to be saved.

Picture Day

Thursday, October 15

The packets are in the folders!!!!

Lifetouch asks that if you want both a group picture and an individual one that you make separate checks for each packet.

If you have any questions or want more packets for siblings please ask Mrs.Scott (670-7179).

Simply Family

In the folders this week you will find a magazine that is produced by some local early childhood advocates. It not only has great articles, but lets you know what is happening in Billings!

BRRRRRR!

The weather is definately getting colder. Please send coats, mittens, hats, boots and if possible snowpants on our cold days. We do love to go out and play.

We will go out unless it is too wet or below freezing.

Thank you!
