

Apostles Lutheran Preschool

November 10 - 12, 2009

Pop! Pop! Pop! This noise could be heard throughout the preschool this week as we popped into the theme of popcorn. The children learned where popcorn comes from...no, not movie theaters. We saw how it came from a seed in the ground, to a plant, to an ear of corn and then to popcorn. We discovered what makes popcorn pop!!! (starch inside it as it heats up). We then pretended to be kernels of corn ourselves and ended up popping too! We had popcorn to color and cut and paint this week. On Popcorn Day we watched popcorn pop, ate some, made art with some, and then went outside and played a popcorn parachute game! It was a fun theme and the kids enjoyed it.

Our Bible lesson this week was about a young shepherd boy named David. Ask your child what two animals David saved his fathers sheep from and how he did it. We then hear how David trusts in God to help him defeat a giant named Goliath. Ask what David used to defeat Goliath. We learn that God made David strong and David trusted that God would always be with him. We can trust that God is with us too.

The Bible treasure this week-
In God I trust!

Parent-Teacher Conferences
Please check out the schedule in the preschool entryway and sign up. If you have any questions or conflicts please let Mrs. Scott know.

Food Bank

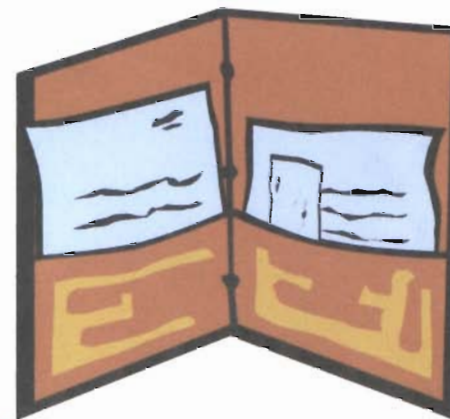

Thank you to everyone that has donated to the food bank. We will continue to take donations through next week!!!

Folders

In your child's folder you will find:

- Simply Family - a local parenting magazine
- Christmas program and response - Please let us know if your child will be part of the program on December 13.

Just a reminder - tuition is due.
