

Apostles Lutheran Preschool

November 17 - 19, 2009

We finish off November with the theme of Thanksgiving. The children hear about the Pilgrims who traveled a long ways on a boat. Ask them the name of the boat (the Mayflower). When they landed in America they

had no hotels, restraunts or friends. Ask who became their friends (the Native Americans) and taught them how to plant food and helped them build homes. The Piigrims wanted to say thank you to God and their friends so they threw a party. We still celebrate Thanksgiving today to say thanks for all God has blessed us with. The children had turkey games and art they could do during work time. They all took time to make a special gift for their families.

Our Bible story this week was about how God saved three men from a fiery furnace. The evil King Nebucanezzar wanted everyone in his kingdom to bow down to a statue or be thrown in a hot fiery furnace. Three men that loved God would not so he threw them in the furnace. Ask your child what the King saw when he looked in the furnace (4 men). He told them to come out to find that God had sent an angel to protect them and they were safe!! Bible treasure - "Worship the Lord our God."

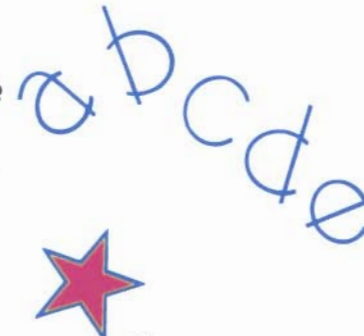

Reminder

There will only be school on Tuesday next week. There will be no newsletter or folder sent home. Please send the folder that day so we have them for the next week

Letter of the Week

"Tt" will be our last letter of the week until January. December is a busy month with preparing for Christmas, so we will take a break and start January with "Ww"!

Thank you!!!!

Thank you for all the donations to the food bank...they will be a blessing to a needy family!

Thank you to everyone for taking the time for parent/teacher conferences. It was great to be able to talk with you all!

The busy December calendar is in the folders today!! Check it out for all practice and program times.
