

Apostles Lutheran Preschool

January 5 - 7, 2010

It is so great to be back after such a long break. The children had lots of excitement to share about their Christmas'. Winter was the theme for the week and winter is definately upon us. We talked about the seasons and then discussed what things we can do in winter that we cannot do during other seasons.

Snowball fights, snowangels, sledding, snowboarding and making snowmen were just some of the things the children came up with. We all made snowmen to decorate our room...check them out, the children did a great job. We also had snowmen to sponge paint, mittens to ball paint, snowmen and mittens to tempera paint, mittens to do a math count with and ones to practice lacing. The highlight of the week though was the visit from the weathermen. Be sure to ask your child what cool things they learned.

The Bible lesson this week is about the wisemen that visit baby Jesus. The children are amazed that the wisemen did not come to the stable, but did come to Bethlehem. We explain that they traveled a long ways and followed the star to find Jesus. They also heard about King Herod...ask your child what King Herod's plan for Jesus was. We also learned that the wisemen brought gifts and worshipped the new King. The Bible treasure - "Hear the word of

God."

We are back doing the letter of the week again. This week was "W w". Wednesday we made white W's.

Next week the letter is "K k".

Scholastic Books

In your child's folder today you will find the book order for January. If you would like to order, please fill out the form and make a check payable to Scholastic.

Book orders are due Thursday, January 14.

Share Day

Thursday, January 14
Bring something to show your class....please have it so it will fit in a backpack.
