## January 12 - 14, 2010

*This week we began the wonderful journey of nursery rhymes and fairy tales. Both are wonderful beginnings for reading. We will have two fulfilled weeks of learning and acting out nursery rhymes and reading different fairy tales. We will send home props that the children will make with some of the rhymes so be sure to reinforce their learning and act them out with them. We began with "Little Miss Muffet" and of course had to have a spider to act that one out. We made crowns for "Old King Cole" and the letter "K" on Wednesday. Thursday we enjoyed acting out "Jack and Jill." We also had share day on Thursday. It is great to see the children's confidence growing as they go up in front of their class to share.*

*Our Bible lesson this week was about when Jesus was baptized. The children hear how water with God's Word makes them one of God's children. We are a part of His family. We hear how even though Jesus never sinned he still wanted John the Baptist to baptize Him because that is what His heavenly Father says to do. Jesus always obeyed God's commands so He too was baptized. Ask your child what*

*happened when Jesus was baptized (who came down from heaven and who's voice could be heard). The Bible treasure this week - "A voice from heaven said, this is my Son."*

*Early Registration  
In your child's folder  
today you will  
find a letter about  
registration for next year.  
We offer early registration  
to our preschool families  
and members of our  
congregation.  
We will open registration to  
the public in February.  
If you have any questions  
contact Mrs. Scott or  
Pastor Bickelhaupt.*
