

Apostles Lutheran Preschool

January 19 - 21, 2010

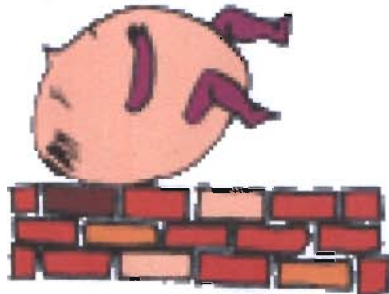

We have enjoyed another week of nursery rhymes and fairy tales. This week we learned Hickory Dickory Dock and made clocks, Humpty Dumpty, and Jack be Nimble. The children enjoyed making candles to jump over for that one. We also read a fairy tale with Dora the Explorer, the Three Bears and the Three Little Pigs. It has been fun watching the children act out their favorite ones with each other at work time.

Wednesday was "Qq" day. The morning class made a friendship quilt to go with "Qq". Be sure to check it out next week when we hang it up on the wall.

Our Bible lesson this week was about the first miracle that Jesus did while He was on the earth. Jesus and his mother went to a wedding. During the wedding celebration they ran out of wine. Ask your child what happened next. We hear how Jesus uses His almighty power to turn water into wine. We also learn how Mary trusted Jesus to help when there was a problem. We also learn that Jesus is with us today to help whenever we have problems. Finally, we also learn that only God can do miracles. The Bible treasure - "God cares for you."

Simply Family

In your child's folder today you will find a copy of this magazine.

It always has some great articles and a calendar of events for Billings.

ENJOY!

I am sending home the morning classes old name tags.

Your child can practice writing their name with a washable marker as many times as they want as it will clean off.

The way it is written on the tag is the way they teach them to write in school district #2...so have fun!!!

I will send afternoon name tags home later in the year!
