March Mania

Be sure to check out the new March calendar in your child's folder today. There are many fun activities coming up!!!!

Also note that the last week of March is the beginning of our Spring Break. We will have no school March 30 - April 1. We will begin on April 6.

It is not only the last week of February, it is also the last week of our community helper unit. The children have enjoyed learning about the different community helpers and role playing them. The highlight for all of us was the day we dressed up like what we want to be when we grow up. It is always a fun and interesting day. Be sure to check out their interviews and pictures on the wall next week.

We were genuinely impressed by all the "Zz" words the children came up with this week. It is such a hard letter, but they did a terrific job. The morning class also did a fantastic job of cutting their ziz zag lines.

The afternoon class has begun to work on writing their names. We will begin by having them trace them. They now sign in to work when they come to school and are doing a great job.

The Bible lesson this week was about a man named Zacchaeus. Zacchaeus was not a popular person in his country as he was a tax collector. Ask your child what happened to Zacchaeus when Jesus came to town. Also ask your child why he climbed a tree to see Jesus. The children hear how Jesus loves us all as we are all sinners and need His forgiveness. Bible treasure - "Jesus came to save sinners."
